Supporting new teachers

As part of its commitment to member schools, MSM has established a scholarship program to promote the training of Montessori teachers. MSM is happy to be able to award one scholarship of \$5,000 to an applicant who otherwise would not have the opportunity to take Montessori training

\This scholarship will be awarded to an applicant who is entering training*, will be working at an MSM member school, and demonstrates both a commitment to Montessori education and financial need

* Applicants must be enrolled in MACTE/AMI approved training program
